

BLOM2325D

2021/09/13

Automotive Specification

Please inquire automotive specification to your nearest sales persons.

Available operation temperature -40°C ~ +105°C

Available 125°C High temperature model

Available AEC-Q100 compliant electronics

Type

Blower

Specifications

Size (W) [mm]	Size (H) [mm]	Thickness(L) [mm]	Rating Voltage [V]	Rated Current [A]	Rated Speed [min-1]	Max. Air Flow [m3/min]
